

Closet Case

Who: Sabrina Davis

What: Owner, Brina Beads & Range Boutique

Why: Between the six racks of clothes at Range, the five closets at her charming Sandy Springs home and her mother's jewelry box, Davis keeps her killer personal style in perfect form.

Growing up in Miami Beach, then living in Los Angeles before settling in Atlanta six years ago, Davis's beach-chic vibe not only influences her stores, but also her style. "I love beading and I love jewelry, but I've always been a kookoo clothing person," she says. "I know every kid dresses up in their mom's clothes, but I *really* dressed up in my mom's clothes." From her all-purpose closet filled with tops, shoes, bags and denim to a lingerie dresser, an outerwear closet, a dress armoire and an entire closet dedicated to jewelry, the petite bombshell and self-proclaimed shopaholic invites us into her awe-inspiring closets—and life. —KIMBERLY DAVIS

"I mostly wear jewelry from my store; it's like **my own personal jewelry box.**" Davis says. "Or I wear vintage pieces and diamonds. **I've been trying to get my mom to give me her Cartier necklace for years now!**"

"The best designer for a woman's body is Dolce & Gabbana," Davis gushes. "I have a dress that fits like a glove; it takes away every flaw that I have." However, despite the many boldface names in her **dress armoire**, Davis is tied to vintage and tried-and-true favorites. "Little Five Points has a store, Clothing Warehouse, where I've found three beautiful dresses I'm still waiting for the right time to wear! I also love Vanessa Vinci dresses and this new line I'm carrying at Range called Religion."

My Summer Shopping List

"I got my first pair of high heels, which I wasn't allowed to wear out of the house, at 11 years old. Now I wear heels all the time. The **'Idol' glossy leather platform sandals by Jimmy Choo** (\$775, Jimmy Choo, Phipps Plaza) are on my to-do list!"

"This cute **soy-based candle is by Jimmy Belasco** (\$32). My friend got it for me in Las Vegas, but I find them locally at **TWELVE Boutique**. The scent is amazing!"

"When it comes to jeans, I have no butt, but **True Religion** tends to make it look like I do! The **'Joey Super T Stretch'** denim in medium wash (\$319, True Religion, Lenox Square) is my *perfect* pair for summer."

"My favorite designer right now is **Meghan by Meghan Fabulous**, and **Liv's carries her line!** I'm especially loving the **'Cassandra' knee-length dress** (\$456) for all my summer parties."

No Hang-Ups

Davis, in a cobalt blue **Jenny Han ruffle dress** and **Marc Jacobs studded wedges**, goes through everything from clutches to shoes while showing *JEZ* her master closet. Holding a pair of **Azzedine Alaïa pink sandals** she scored at **Bob Ellis**, the fashionista explains, "I like shoes. I don't buy cheap pairs. I'd rather save for a pair not everybody can have than buy 20 pairs from your everyday designers."
